Advisory Board

Children's Centres have an Advisory Board, which meets regularly to discuss the work of the Centre. They discuss for example budgets, services, data, who uses the Centre, who should be using the Centre and are the needs of the local community being met. The Board is made up of lots of different people who live and work in our community. Most importantly, we need **YOU!** We need parents to attend the Advisory Board so we can hear your opinions, thoughts and views about **YOUR** Children's Centre.

Do you need support in getting back to work?

Free job advice and planning to get back to work, support to find training, childcare and debt advice if you or a member of your family is claiming work-related benefits.

See Children's Centre staff for more information or to arrange an appointment (**TBC**)

Grove House Children's Centre Activities

Monday

Parent Gym 6 Week Course

Parent Gym is a program that supports parents in raising happy, confident children. It provides practical tips and strategies to help parents build stronger relationships with their children, handle difficult behavior, and foster positive habits. The program includes interactive group sessions, one-to-one coaching, and digital resources, all designed to help parents enhance their parenting skills and create a nurturing home environment.

We at Grove House Children's Centre in Southall are dedicated to providing quality care and education for children from 3 months to 5 years old. Our experienced and highly qualified staff are committed to supporting your child's development in a safe and stimulating environment. We offer a variety of activities, groups and courses for parents and families, as well as personal support on a range of issues. Open from 8am to 6pm, 48 weeks a year, we aim to help children become successful and responsible members of our community.

Thursday

Discover the Magic of Reading at Our Library Session!

Join us for a special reading event, where we'll explore various stories and introduce "Bucket Time," a unique method designed to help children with autism improve their focus and social skills through reading. Our librarians will assist you in selecting the perfect book, setting up memberships, and ensuring a fun experience for all. Limited spots available – reserve yours now and watch your little ones flourish!
